### THE LUTHERAN CHURCH OF OUR SAVIOUR MISSION STATEMENT

We, the members of the Lutheran Church of Our Saviour, as baptized followers of Jesus Christ, will foster a living, expressive relationship with our Lord and our neighbors.

We will do this in a way that seeks to serve all segments of our congregation and community by:

- ◆ Providing a welcoming environment for youth and young adults.
- ◆ Strengthening the family unit.
- ◆ Involving the elderly and recognizing their special needs.
- ◆ Making Christ visible through worship.

# Pastor's Page

Approaching the holidays with a willingness to adapt is essential to strengthening resilience, to crafting a satisfying holiday season however we can. After mourning the reality that everything is different, trying to reconfigure events safely is crucial to avoiding depression. If we can reframe our celebrations from a perspective of “right versus wrong” to one of “both/and,” we will no longer be forcing ourselves or those on our guest list to choose between being happy and unsafe or sad but careful.

The holidays will be both different and potentially joyful. There will be less, but it can be enough. We can be sad and also hold out hope for things to improve. By drawing close and listening fully to one another, we deepen our connections - which will hopefully last long after the holiday season is over and stand us in good stead after the pandemic is finally over too.

As we seek to be both different and joyful, our celebrations at church are different too. Our Christmas Eve services will change as they are going to be held at 4 o'clock in the afternoon and 8 o'clock at night with limited capacity attending each service. We need you to make a reservation to attend. Our children too are preparing the annual youth Christmas program to be held outdoors on December 13. This unique drive-in service of the Christmas story will be different and yet its uniqueness will add a special touch to the meaning of Christmas.

Yes, Christmas celebrations will be different this year, but what does not change is that Jesus is coming. The light of the world will enter the world again and hopefully into our hearts as we seek to love and forgive and cherish one another. As a church, we are cherishing you by making sure you're safe during this pandemic and also joyful by celebrating the coming of the Christ child.

In Luke chapter 2, verse nine, we read: “An angel of the Lord appeared to them (the shepherds), and the glory of the Lord shone over them, they were terribly afraid, but the angel said to them, “Do not be afraid. I am here with good news for you which will bring great joy to all the people. This very day in David's town your Savior was born, Christ the Lord! And this is what will prove it to you: You will find a baby wrapped in cloths and lying in a manger.”

God certainly chose to enter our world in a very different way. Maybe it's appropriate that we celebrate in different ways this year. We need to take the Angels' words to heart to not be afraid but allow “the different” to enter into our hearts, souls and minds, and know that God is near.

May God's peace, that He offers in this season, bless you and yours now and in the years to come.

~~Pastor Wilck

Our worship schedule for the remainder of 2020 is as follows:

## ADVENT WREATH LIGHTING

Advent is more than waiting for Christmas. It is a season of the church year that emphasizes beginnings and new creation. It is a time of waiting and anticipation. It is a time of hope. It is a time to remember that God is faithful. God has come. God will come again. God is with us. This year the four Sundays of Advent are observed beginning **November 29**.

Advent is a season of preparation and expectation. Our culture seems to ignore Advent and move right to Christmas. In society today, many people are not comfortable with waiting. Advent is a time of waiting. In years past, God's people waited for God to act. They waited for the chosen one to come. As Christians we are called to wait. Our

waiting has purpose and meaning – we wait in faith for God. Our waiting is active and mission filled.

During this season of waiting, Advent points us to the three comings of Jesus. He came among us at Bethlehem. He comes among us now in the scriptures, the sacraments and the community of faith. He will come again in glory to bring God's kingdom to fulfillment.

As we wait, come and worship during the season of Advent. We celebrate God's ongoing love and grace in our lives and the life of our congregation.

Advent and Special Offering coin folders are available on the Narthex table. Please take one. The offering received from the coin folder will go to our Mission/E.L.C.A. As we think about the Advent and Christmas season, we are reminded that Christ came into the world to save sinners. That Christ came into the world means the whole world. Our benevolent dollars support the mission and ministry of the Upstate New York Synod and the broader outreach of the E.L.C.A. Thank you in advance for your continued support of the mission of the whole church. We will collect from **December 1 - 31**.

## SIGN UP NOW FOR A CHRISTMAS POINSETTIA

Our Saviour Altar Guild invites you to place a poinsettia in the chancel for the festival Christmas services. Plants are placed as an expression of joy at the celebration of the birth of our Lord and/or in loving memory of family and friends. The cost of a poinsettia this year is \$10.00 for each plant.

Please sign up on the sheet on the Narthex table, take an envelope in which to put your payment, and place it in the offering plate. The deadline to sign up and make payment is **December 6**.

Plants may be taken home or given to a sick or homebound person following the 8:00 p.m. Christmas Eve Service.

God bless you once again for your thoughtfulness and generosity.

## · FLOWER CHART ·

A new flower chart for 2021 will be posted on the Narthex bulletin board. The Altar Guild invites you to indicate the date on which you wish to place flowers on the altar as expression of devotion to the Lord, in memory of a loved one, as an expression of joy and thanksgiving on an anniversary or birthday, or other special occasions in life.

The cost for the flowers is \$30.00. We encourage and appreciate your participation.

## CHURCH AND COMMUNITY COMMITTEE

Maggie's Place held their Thanksgiving dinner on November 21. Due to COVID-19, we were unable to send volunteers to assist with the dinner this year. However, I am happy to report that our congregation donated \$1,000 for this dinner. Thank you to Ed Jarvis for bringing the donations to Maggie's Place and assisting with setup the night before the dinner.

The Thanksgiving food baskets were assembled on November 22, and delivered to six very thankful LCOS families.

The Angel Tree has been set up with the names of sixteen children from the Open Door Mission-Coldwater House and seven children from LCOS for a total of 23. Thank you to Jerry Stich for creating the new gift tags for the Angel Tree and for making the beautiful corrugated Christmas tree to display the gift tags. And may I say, this was all done a day after having had carpal tunnel surgery on his right hand. A special thank you to Patty Stich who was Jerry's "**right hand**" assistant for this project.

The Angel Tree is up from **November 12 – December 17**. All gifts **MUST** be in by **December 17**. This year we are giving everyone the option of wrapping their gifts. **A GIFT BAG MUST ALSO BE PROVIDED WITH EACH GIFT, PLEASE.**

A big "THANK YOU" to everyone for your amazing generosity. Our congregation never ceases to amaze me with your big hearts. When a need arises, you are all right there to help.

Wishing everyone Merry Christmas and a Happy and Healthy New Year!

~~Ann Seppa, Committee Chair

# LYO/YOUTH

Dear Parents and Guardians,

On **December 13**, Our Saviour's children and youth will present our Christmas Pageant. I think we can all agree that 2020 has certainly been a year of change. One thing that hasn't changed is the message of God's hope for a weak and weary world which comes to us wrapped in swaddling cloth and laid in a manger. Hearing the story of the birth of our Lord through the eyes and voices of our young people always brings much joy to our hearts. With everything we have all been through this year, God's message of hope through the Christmas Story is needed now more than ever! I am asking we all approach this Christmas Pageant with open hearts.

This year the story remains the same, but our presentation of that story will be very different. Due to the pandemic and the need to reach out to all in a safe way, this year's Christmas Pageant will be an outside event. It is designed to be a drive-through service.

## **How would that look?**

The play itself would be presented in five stations. These stations would tell the Christmas Story and include:

- 1) The Annunciation - the Angel telling Mary she is going to have a baby
- 2) Mary and Joseph travel to Bethlehem
- 3) The Nativity
- 4) The Shepherds and Angels in the field
- 5) The Wise Men following the Star.

The stations would be set up along the periphery of the church parking lot with station 3 (the Nativity) being set up in front of the cross on Dell Hall. The four remaining stations would be set up with two on either side of the Nativity.

# LYO/YOUTH CONT'D

## **How will the children and youth participate?**

My intention as I plan/organize this year's Christmas Pageant is that all of our young people have the opportunity to participate at a level in which parents/families feel comfortable and safe. Therefore, there are a variety of ways to participate which includes:

**In-person participation at the stations.** There are 1-2 line speaking parts and non-speaking parts at each station. The individual stations would be distanced from one another. Also, the children would be distanced within each individual station for safety. We can do many things to meet the comfort and safety needs of each individual such as children from one family can be grouped together. Face shields/ masks will be worn. COVID protocols will be emailed.

**Recorded speaking parts and recorded music.** Jerry is helping us put together a CD of pre-recorded music and readings. The CD will be played in a loop on the FM radio transmitter as the cars drive and stop and they can tune their radios to the FM station to hear the CD as they wait.

**To bring in the singing component of the play, I am asking families to record the children/families singing their favorite Christmas song or church song;** i.e. Away in a Manger, Silent Night, Jingle Bells, Jesus Loves Me, This Little Light of Mine. The songs recorded at home only need to be the joyful voices of our children. For example, they could use spoons, pots and pans or keys as they sing Jingle Bells. For those who play instruments, they could record a song played on their instrument. **One song from each family is plenty.**

We need children and youth to read and record their readings. Recorded readings are excerpts from the book **Jesus Calling: A Christmas Story.**

The audio recordings can be recorded from your phones in your homes and emailed to me. Jerry needs all recordings by **December 6** so he has time to create the CD.

**Adult volunteers needed** to stand at each station to watch over the children and help keep them safe

## **What about the weather?**

Yes, December is cold. I anticipate that it will take about 30 minutes for the cars to cycle through. How do we keep our children from the youngest to the oldest warm? I ask everyone to layer up under their costumes: winter jackets, snow pants, boots, mittens, hats, etc. Also, we will be providing all our outside participants with hand and foot warmers. I am working on having heaters donated for the day to be used in Dell Hall as a warm-up station. One of our youth has suggested having hot chocolate available. I am thinking through the hot cocoa logistics in a COVID world.

If the weather is really bad and we cannot be outside, the pageant will be postponed to the following Sunday.

I recognize this is a very different way for our children to proclaim the good news of the Christmas Story and you as parents may have many questions or concerns. Please know that I am willing to listen to and discuss any questions and concerns with you. You can call me at (936)494-8348. The goal is to provide an opportunity for all of our youth and children to participate while meeting the comfort level and safety concerns of each individual family. I am willing to try to find a way for all of us to come together to proclaim the Christmas Story. This new idea will hopefully allow for a variety of students to take part in the play and be less stressful for them and their families. If your child(ren) would like to participate in any part of the program, please sign the form below.

## *LYO/YOUTH CONT'D*

We will also have a rehearsal the day before the play on **December 12**, at 10:00 a.m. The rehearsal will be brief allowing for the children to stand in their station and practice having a few cars drive through the stations. Even if your child cannot make the rehearsal, he or she is still welcome to participate.

I am giving permission for my child(ren) to participate in this year's Christmas Pageant on December 13 at 10 a.m.

## *WOMEN OF THE ELCA*

The Women of the ELCA met on November 10, and I'm happy to say that nine women attended this meeting. It was so nice getting to see all the ladies in person. Due to COVID-19, we voted to postpone holding our Annual Holiday Party until sometime in the spring.

As we take our winter break, no meetings will be held in January and February, 2021. We will re-evaluate in March 2021. The year 2020 has been quite a year! We must continue to pray for everyone's health and safety.

Wishing everyone a Blessed Christmas and a Happy New Year!

~~Ann Seppa, Secretary

## *PROPERTY MANAGEMENT*

We are in need of a few volunteers who can shovel and use the snow blower for the winter months. Our primary need would be keeping the front entrance sidewalks cleared and safe; clearing the other entrances will be done as needed. As mentioned previously, volunteering for the building maintenance work can be very rewarding and the opportunity to learn many skillful trades. Contact Ed Jarvis for more details.
