

## Vanco Mobile App for Electronic Giving (Effective 9/30/21)

Note: This new electronic method is through the Vanco Mobile, which is specifically using their mobile app. Vanco Mobile is NOT an option to give by using a computer; it is strictly a mobile app.

*If a member does not wish to use the new Vanco Mobile, please contact the Church Office to set up on the **existing** electronic giving (we've used this method for over a decade).*

For clarification: 1) There is the “classic” existing method that the office manages. 2) And now there is a new mobile method that is managed by the contributors, themselves.

1. Go to the App Store on your mobile device.
2. Search for Vanco Mobile.
  - a. It's the “Vanco Mobile Faith Engagement” app with this logo 
3. Download the app onto your mobile device.
4. Then login into the app by “Find your organization” search.
  - a. Type/enter in the search – Lutheran Church of Our Saviour. Remember ‘Saviour’ has the letter “u”.

- b. You should see our church logo and address
  - c. When you click on the app, you should see a picture of our church.
5. Your login you had for GivePlus is the same login for Vanco Mobile.
6. Please navigate through your login account and confirm and/or update your information as necessary.

Please do not hesitate to contact the Church Office if you need assistance or have questions. Thank you very much for your support and all that you do for the church!
